

16th October 2020

Dear Parent/Carer,

We are pleased to announce the launch of our new Davison iPad for Learning scheme.

Over the last six months the staff at Davison CE High School have risen to new challenges in delivering an excellent education for our students. We have developed the resources on our FROG digital Learning Platform, trained teachers to record learning sessions and invested in fully interactive teaching software.

Following the success of Teach Stream and in response to the increasing importance of distributing and collecting work digitally, some families have commented on the challenge of providing digital equipment for children to be able to successfully do this at home.

Davison CE High School iPad Lease Scheme

In response to **parental enquiries**, we have teamed up with GBM, a **trusted** distributor of Apple products in the UK education sector, to develop a scheme that helps families provide greater access to digital content through the purchase of an iPad. Families who opt in pay a monthly fee for a school managed iPad, providing reassurance that your daughter can only access appropriate, school related, apps and content.

Payment Options

As a school, we will be offering two payment options, and this will be dependent on which year your daughter is currently in.

- Students in Year 7, 8 and 9 will have access to a 3-year scheme
- Students in Year 10 will have access to a 20-month scheme (reflecting the time they have left at the school).
- Contributions will be charged every month and the price is inclusive of both a durable protective case and insurance against damage or malfunction. At the end of the payment term, the iPad will belong to you.

The Davison iPad for Learning Scheme is **not compulsory**. The iPad Scheme does offer families an alternative way of providing the digital equipment needed to support learning at home.

Enrolment

Should you wish to enrol in the scheme, an ordering portal will be available on the main Davison website from **19th October 2020**. There you will find further information about the Davison iPad for Learning Scheme, as we have created a downloadable pamphlet which explains the scheme in greater depth and includes a Frequently Asked Questions section.

Deadline for Enrolment

Please note, the window for enrolling in the scheme will end on 6th November 2020. After this time, it will not be possible to order an iPad through this scheme in the current academic year.

Yours sincerely

Mr A Smith
E-Learning Coordinator
