

March 2022

Dear Parent/Carer

Next week is National careers week. To celebrate we have invited various organisations in to attend our Careers café – lunchtime talks. I have also included a number of links to virtual events that are taking place locally and nationally across the week, which I hope both you and your child will enjoy.

• Careers Café – lunchtime talks

We have invited the following organisations in to talk to students during lunch, explaining the courses and career opportunities within their establishments and answering any questions students may have. All students have been emailed details. These are optional sessions and open to all year groups – please encourage your child to attend, as I am sure they will find the talks both informative and worthwhile.

<https://ncw2022.co.uk/> - This link will go live on Monday 7th March and has a wealth of information from over 100 exhibitors.
- **CAREER SHARE**
Parents and carers are the biggest influencers on young people's aspirations and conversations about careers can have a positive impact on grades, motivation to study and attitude to success. Davison CE High School is looking for parents and carers to take part in a range of activities to help prepare our students for life beyond school. There are lots of ways you can get involved, some only take 5 minutes of your time! If you are interested in supporting our careers programme please let us know by completing this form [CAREER SHARE FORM](#)

If you or your child would like any further information, please do not hesitate to contact me or students can visit the careers office in the LRC.
