

Steps to follow for students to reset password in Unifrog

The screenshot shows a web browser with multiple tabs open: Staff Hub, Sign In - Unifrog, Lesson Dashboard, Registration - Attendance, Email - Mr M Stobbs, and Google. The address bar shows the URL <https://www.unifrog.org/sign-in?return=/teacher/home>. The Unifrog logo is in the top left, and navigation links (ABOUT, BLOG, INSIGHTS, CASE STUDIES, JOBS, CONTACT) and a SIGN IN button are in the top right. The main content area is titled "Sign in" and contains two input fields: "Your email address" and "Your password". Below the password field is a green "Sign in" button. To the right of the input fields is a grey box with the text "Been given a Sign up Code?" and a green link "Use it here". At the bottom of the sign-in area is a green link "Reset password / Resend welcome email". A red box highlights this link, and a red arrow points from it to a text box on the right that says "If you don't know your password OR have never logged into Unifrog before click here".
