

## School uniform

School uniform engenders a sense of belonging and a smart uniform encourages a more mature approach to learning. Parents are asked to give full support to the school uniform policy. Please approach the school in confidence if you require financial support in obtaining uniform; a small supply of quality second-hand uniform is available from school.

All students are expected to be in full uniform each day. They may be removed from lessons and isolated if they are not wearing the correct uniform or if their hairstyle or colour is deemed inappropriate. Parents should check with the school before purchasing items if they are unsure about their suitability. The Headteacher's decision is final.
