

Dear Parent/Carer,

All students will have the opportunity to come onto site to empty their locker and return/exchange books in the LRC before the end of the Summer Term. We are encouraging students to spend as little time on site as possible and to only go into designated areas.

Students will need to enter through the Diner where their form group will be checked, their temperature will be taken and they will be required to wash their hands.

To minimise the number of people on site we ask that parents/carers do not come onto site with their daughter. If you are bringing your daughter to school, please remain in the overflow car park just outside the school gates.

We have organised for students to come in by form group so that we are not inviting any more than up to 30 additional people on site. Please see the date and time allocated to your daughter's form.

Year 8 students
