

September 2020

Dear Parent/Carer,

As part of your daughter's mathematical studies, she is required to have the following equipment for use in class, for relevant homework and for any internal/external assessments:-

Pen, Pencil, Ruler, Eraser, Protractor, Pair of Compasses and a Scientific Calculator

We are pleased to offer a maths pack at a price of **£6.20**. This would be at a more reduced price than in the shops as we are able to offer this at a VAT free price. The pack includes a pink Aurora calculator, pens, pencil, ruler, eraser, sharpener, protractor, metal compass – all in a clear plastic wallet, which is an exam requirement. The calculator would be suitable up to and including GCSE & we would ensure that all students would be confident when using this.

Payments can be made online **via WisePay only**, please select: School Shop, Maths Pack.

Students currently eligible for Pupil Premium funding will automatically be allocated a maths pack free of charge, however, if you are able to make the voluntary contribution, this can be done via WisePay.

Yours faithfully,

Mrs C Hunt
Leader of Maths
