

Dear Year 7 and your parents/carers,

I hope that this message finds you and your families well.

You should have received a message from Ms Eldridge which gives details of a new recommended way of working for year 7 designed to make it easier for you to manage your workload.

I have made a quick loom recording which gives more details of the system in a way that will help you to understand how to follow it:

Hopefully you will find it helpful. Please note that loom seems to work better using chrome.

If you have any further questions then please feel free to email me.

Take care,
