

19th October 2020

Dear Parent/Carer,

This year from September 2020 the vaccination programme has been extended to include children in Year 7 to be given the influenza vaccination. This is in the form of a nasal spray, is painless and easy to have.

Therefore, your daughter will be bringing home a letter and booklet this week regarding the flu vaccination programme. I would be grateful if you can complete the consent form **whether you would like your daughter to have this vaccination or whether you do not consent to her having the vaccination** and return the form to their Form tutor as soon as possible.

The flu vaccination is scheduled to take place on **Wednesday, 9th December 2020 in school.**

We will contact you nearer the time to remind you of the date.

If you have any questions regarding this vaccination please contact the Immunisation Team on 01273 696011 ext 8100

Kind regards

Student Services Team
