Chichester College and Brinsbury College have sessions from last weeks open day available to watch on their website.

Worthing College will be offering campus tours after half term. Please check their website for details of this in November.

There have been some issues with FROG showing my notes from the college discussion meetings with Yr11. Please click on the ATLS and REPORTS tab when looking for these notes. The Start Date and End Date in the purple headed **SELECT DATE** box needs to be set from the beginning of term 07/09/20 to the current day, as shown in the image below. If the notes still don't appear, try moving the date back further to 01/03/20, as some meetings took place during lock down.
