The Virtual Open Evening includes a LIVE presentation from Mrs McNeil as Head of Sixth Form, interviews with students, useful subject information and Q&A sessions with each subject leader via Zoom. It is certain to be a really informative and exciting evening. Even for those who may have a clear sense of their future choices, we'd really encourage them to find out more. Please see the information below:

The LIVE Stream can be found via the Main Sixth Form website (<https://www.sphsixthform.co.uk>) or directly at:
