

4<sup>th</sup> November 2020

Dear Parent/Carer,

Please be aware your daughter will be bringing home a letter and booklet this week regarding the Teenage booster vaccination programme. I would be grateful if you can complete the consent form **whether you would like your daughter to have this vaccination or not** and return the form to their Form tutor as soon as possible.

The Teenage booster vaccination is scheduled to take place on **Wednesday, 6 January 2021 in school**. If your daughter is anxious or nervous about these injections then please let us know and we can arrange for her to come at the beginning of the day. Please ensure your daughter wears her red PE top on that school day. We will contact you nearer the time to remind you.

If you have any questions regarding this vaccination then please contact the Immunisation Team on 01273 696011 ext 8100 .

Kind regards

**Student Services Team**
