# Options Pathways

All students in year 9 have been categorised into 3 pathways:

**Ebacc pathway:** students have to choose a language and have 2 other options

**Progress pathway:** students have to choose one of the progress options and 2 other options

**LETS pathway:** it is recommended students choose LETS plus and 2 other options

# RS/ Citizenship

- As a Church of England school RS is compulsory for GCSE with the exception that we have been allowed to offer 2 classes of Citizenship GCSE as an alternative
- Citizenship spaces are limited so your attitude to learning grades in PD may be considered.
- You have to fill out 1 as a first option and 1 as a reserve on the form

**DAVISON**

CE High School for Girls

# Who can help you choose?

- Parents/ Carers
- Your tutor/PD teacher
- Your subject teachers
- Older students
- Mrs Wood School Careers Co-ordinator LRC office
- Your own research

**DAVISON**

CE High School for Girls

# Beware of Peer pressure

- Do not choose a subject because your friend is
- Listen to your parents'/carers' views but they will not have to go to the lessons for the next 2 years
- Choose subjects you think you will enjoy but be realistic!!!

**DAVISON**

CE High School for Girls

# Maths and English

- A standard pass in Maths and English ( grade 4) is important for many courses above level 2- i.e. A levels and Btec level 3 courses)
- Some college courses require grades higher than 4- do your research!

**DAVISON**

CE High School for Girls

# Your year 10 and 11 timetables

You have to take...

- GCSE Maths ( 7 in yr 10, 8 in yr 11 lessons per fortnight)
- GCSE English Language and GCSE English Literature (8 lessons of English per fortnight)
- Science –combined ( 10 lessons per fortnight)
- RS /Citizenship ( 5 lessons)
- Personal Development ( 1 lesson)
- Computing studies (1 lesson – YEAR 10 ONLY)

**DAVISON**

CE High School for Girls

# YEAR 10

- YOU WILL BE IN X OR Y HALVES FOR EVERYTHING EXCEPT YOUR 4 OPTIONS WHERE BOTH HALVES ARE MIXED
- IT WILL NOT BE THE SAME X AND Y AS YEAR 9
- YOU FIND OUT WHETHER YOU ARE IN X OR Y WHEN YOU START YEAR 10
- All options are 5 lesson per fortnight each

**DAVISON**

CE High School for Girls

# FAQ

How many lessons per fortnight for options?

- This is 5 lessons per fortnight usually 2 doubles and 1 single

Can I opt to do PE and Dance?

- Yes but make sure that both PE and Dance teachers agree with your preference and that you are prepared for the physical exertion!

**DAVISON**

CE High School for Girls

# FAQ

Are there any subject combinations I cannot chose?

- you **cannot** do Art and Art Textiles (THEY ARE BOTH Art GCSEs)

Do I have to do a language?

- yes if it is on your pathway as a compulsory choice

**DAVISON**

CE High School for Girls

# FAQ

Can anyone take Triple Science?

- This is available to students in the Ebacc pathway who are in maths sets A or B
- Triple Science is heavy on exams and the exams contain more Maths than they have previously so take this into account.

(if you are passionate about doing Triple Science and it is not on your pathway then you need to speak to Mr Hallworth and your Science teacher(s))

**DAVISON**

CE High School for Girls

# What is a GCSE pass?

- A grade 4 is a “standard pass”
- A grade 5 is a “good pass”
- However different colleges expect slightly different grades for different courses. E.g. to do Science A levels colleges usually ask for a grade 6 or 7 in Maths. Worth doing your research!

**DAVISON**

CE High School for Girls

# So how many qualifications will I get?

- Many get 9= Maths, English x2, Science x2, RS or Citizenship, option A, option B and option C
- Some may get 10 if they do an extra curricular Further Maths GCSE
- Some get 8 GCSEs= if they chose LETS for extra Maths & English
- College quote: “8 good GCSEs are better than 9 or 10 with lower grades”

**DAVISON**

CE High School for Girls

# Non GCSE qualifications

- We offer 5 – they are equivalent to GCSEs but have a higher proportion of controlled assessment (non exam)
- Travel and Tourism and Sport are both BTEC Firsts Awards( levels 1&2)
- Health and Social care is a BTEC Tech award ( levels 1&2)
- Digital i-Media is an OCR National ( Certificate in Digital Applications)
- Child development is an OCR National

**DAVISON**

CE High School for Girls

# When do I know if I have my options?

- By Easter (possibly earlier) your form tutors will be given information about your options.
- Before then- between February and March , Mr Davies may speak to you if there is a clash or if some subjects are over subscribed.
- It is almost impossible to give everyone their first choices

DAVISON

CE High School for Girls

# Will I get all of my choices?

- Courses can only run if enough people choose them
- If fewer than 15 people want to do a certain course then it is unlikely it will run
- Also some courses are over subscribed so some of you will get your reserve choice
- It is rare that there are clashes where you cannot do any of your 1<sup>st</sup> and 2<sup>nd</sup> choices
- I will be asking to see many of you individually over the next 6 weeks or so if there are issues

**DAVISON**

CE High School for Girls

# Is it first come first serve?

- No – the aim is to get as many students their first choices as possible
- If you are late choosing ( after Feb 3<sup>rd</sup> then your preferences may not be considered

**DAVISON**

CE High School for Girls

# First Choices

- Please note that **everything is done** to try and ensure you get your first choices but it is not always possible
- If too many people have applied for a subject then we may go to their Attitude to Learning grades in that subject for years 7,8,9

**DAVISON**

CE High School for Girls

# Remember.....

- Most of the Subjects that will help your progress are compulsory anyway!!
- So don't stress!! Consider a creative/technology option!
- Anyone who gets good grades in Maths, English, Science and RS/Citizenship will be able to do just about anything!

**DAVISON**

CE High School for Girls

# Thanks and Good luck!

- I know it's hard to narrow it down if you like a lot of different subjects but it is essential at this stage.
- GCSEs are much more demanding than they were a few years ago- you will be very busy – ask yr 10 and 11 !
