

22nd January 2021

Dear Parent/Carer,

I hope you are all safe and well during these unprecedented times.

A couple of updates regarding school attendance and registration:

If your daughter is unwell or has a medical appointment and is therefore unable to attend remote lessons, please could you report absence in the normal way via study bugs.

We are now holding 2 form time periods per week on a Monday and a Thursday. This will enable your daughter to have regular contact with her form tutor via teach stream. Your daughter will be set these in the normal way via Frog and each session will begin at 8.40am.

Stay safe and please do keep us informed if there is anything we can do to help in any way.

Yours faithfully

Sarah Binney
Assistant Headteacher KS3

Claire Heron
