

29th January 2021

Dear Parent/Carer,

We would like to thank you for your patient support of your daughter's learning through their daily timetable of Teachstream lessons. We have received some very positive feedback this term regarding our Home Learning strategy, although I would like to add, that our approach is under always constant review.

Some parents and carers have asked us for guidance on how they can monitor their daughter's engagement with Home Learning.

In response to this, we have produced a short video which will help you monitor attendance, set work, marking and feedback, and your daughter's achievements through the parent/carer dashboard on Frog. You can view the video by clicking the link below and I have also placed a copy on to the home page of the dashboard. We hope this is a supportive measure which allows you to see just how well your daughter is doing, under these difficult circumstances.

Yours faithfully,

Andrew McDonald-Bowyer
Deputy Headteacher
