

HOME SCHOOL AGREEMENT

Dear Parent/Carer,

At Davison, we are working hard to ensure that parents/carers are fully involved in their daughter's education and that each child fully understands her own role in promoting a strong learning culture. In support of this commitment, we are required to promote a Home School Agreement which includes a parental and a student declaration, to help underline the responsibilities and expectations between parents/carers, students and the school. This letter and the following pages make up the agreement, which you and your daughter are invited to sign and return to the school.

The agreement sets out:

- the school's aims and values
- the school's responsibilities towards its students who are of compulsory school age
- the responsibility of each student's parents/carers
- what the school expects of its students

Whilst this is not a legal document, in signing it you are showing your willingness, as a family, to work with the school in achieving the very best outcomes for your daughter.

Davison staff look forward to working with you in the year ahead.

Yours faithfully
