

6th July 2021

Dear Parent/Carer,

We are delighted to inform you that your child has been placed in

[Colour Family]

Our tutors and lead tutors are delighted to welcome your child into their colour family and are really looking forward to getting to know their new groups in September. All lead tutors and tutors have recorded a short video of welcome that will be available from July 7th (please visit the website for links).

We are also providing a range of materials to support your child's start at Davison CE High School for Girls. These materials and links will be available from July 7th on our school website: <https://www.davison.w-sussex.sch.uk/> under the 'About Davison' heading.

Finally, **we are delighted to invite you to a zoom event at 5.30 pm on Tuesday 13th July.** This will be an opportunity for you to be welcomed into our school community by Mr Keating as well as have an informal conversation with your child's lead tutor. Unfortunately, it will not be appropriate to have a confidential conversation as part of this meeting – if you wish to contact the lead tutor outside of the meeting then please email them (addresses will be available on the website).

The link for the zoom event will be shared on Monday 12th July. Please complete the form to let us know you plan to attend:

<https://forms.office.com/r/VW6etj8BU0>

On joining the zoom event please change your name to your child's name. It would be lovely if you could share your video with us if you would like to, however, please make sure your audio is on mute.

As part of the meeting we will ask you to select your child's colour family. Please make sure you have this information to hand.

Kind regards,

Mrs J Anstey
Director of Year 7

Ms H Fox
Assistant Head Teacher
Responsible for KS3
