

8th September 2021

Dear Parent/Carer,

KS4 Induction, Exam Preparation and Work Experience Presentation
for Parents and Students
Wednesday 15th September 2021

You are invited to watch a video presentation about some of the experiences and opportunities your daughter will have available to her during KS4. This video presentation will go live on the Davison website on Wednesday 15th September at 4pm.

The presentation will include key examination information as well as tips and advice to assist your daughter to successfully navigate her studies at KS4. There will also be some updated information regarding work experience. It would be very beneficial for yourself and your daughter to watch the presentation at your convenience. If you have any questions there will be a key contacts section towards the end of the video.

May I take this opportunity to welcome you all back after the Summer break and I am hopeful we will be able to navigate this upcoming year with greater certainty as we look forward to getting our school community back to a more normal way of working.

Yours sincerely

A handwritten signature in black ink that reads "S. Binney".

Ms S Binney
Assistant Headteacher, Key Stage 4
