Dear Parent/Carer,

**Year 7 trip to St George's Church to take part in an interactive Christmas workshop  
"Experience Christmas"**

This term your daughter will have the opportunity of visiting St George's Church and take part in an interactive Christmas workshop to find out about the true meaning of Christmas. This will take part in one of daughter's RS lessons. Students will walk to and from St George's Church, accompanied by staff.

The Christmas workshop is run by a charity 'Crossteach' and the event will involve your daughter rotating around three different zones, working with their peers, to explore the Nativity in a fresh and engaging way. This is a new initiative and I am really excited that Davison can be a part of it. The experience will provoke critical enquiry and thoughtful reflection, whilst inspiring and stimulating pupils to explore fundamental questions about human life, religion and belief.

**Cost: FREE**

**Requirements: Students to wear full school uniform, including Red Hat**
