

16th December 2021

Dear Parent/Carer/Student

Many of you will have already started thinking about options choices for Year 10 next September.

The process will be launched in the second week back to school, with the online registration of choices opening on 12th January.

27th January will be our virtual options evening, and students will be able to make changes to their online options requests at any time up until the deadline – 4pm 2nd February.

Anyone wishing to find out more about what is on offer can visit our website [via this link](#) where the latest Year 9 Options booklet is available now – providing outline course content, assessment information and a guide about further study options and careers' choices following on from those courses. Specific subject videos will be available shortly.

Yours sincerely

Mr A Davies
Deputy Headteacher
