## Whole School

As we come towards the end of the Spring Term, It is wonderful to see the many events that we have missed for so long slowly starting to return to school life here at Davison. It gives us all such joy to see our students returning to a sense of normality, allowing them to thrive, flourish, shine and excel.

We were so excited to see the return of Encore! to Davison this month. Encore! is the charity fundraising talent show organised by the community prefect team.

The prefects were busy holding auditions, running rehearsals, and creating the show in preparation for the live event that took place on Wednesday 2 March.

### Congratulations to our wonderful winners!

1st place: Alice Fleming & Lily Shipton (piano & flute)

2nd place: Holly Frampton (piano)

A huge thank you to everyone involved, not only was it a great success with some talented performers, we also raised over £500 for Love Your Hospital.

Well done to our students who attended the Chichester Literature Quiz on Friday, and were placed first and second ~ what a fabulous achievement!

**Huge Congratulations to all who took part!**

**Eight Year 10 students from top sets, accompanied by their respective teachers Mr Vachhani and Miss Whyatt, entered a Year 10 Maths Competition for local schools, run by the Advanced Mathematics Support Programme, at Worthing College.**

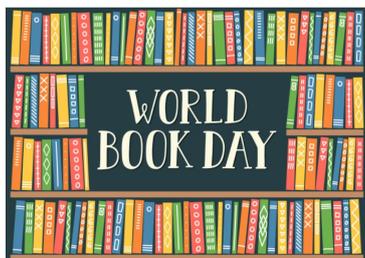

Representing 10XA were Alara O'Leary, Ella Thornburg, Gabi Nisbett and Freya Faithfull, and representing 10YA were Emine O'Leary, Georgia Jose, Charlotte Cook and Lara Sawyer.

There were several rounds during the afternoon, each enabling the students to apply mathematical skills and knowledge they already had, but in new, abstract and creative ways that they may not have considered before.

The students were also exposed to some mathematical concepts that they had not met before, and this really provided a healthy sense of challenge. The rounds involved the team working together, applying effective teamwork and communication skills, as well as applying mathematics.

All students engaged brilliantly with the event and received a certificate of participation. The organisers of the event also gave the students some information relating to the options of further study of maths and further maths at A-level, a taster of which was given to them by some of the rounds in the competition.

Staff and students enjoyed celebrating World Book Day earlier this month. As well as dressing up as a character from our favourite book, we took part in games, quizzes, puzzles and competitions!

Tegan and Catrin got to meet Katie Davies who is the UK's female no 1. The competition was exciting and challenging and Tegan and Catrin both had to overcome their nerves. As well as competing, they also judged other competitors making sure their times were recorded as per WCA regulations.

Tegan solved the 3x3 in 13.37 seconds with an average over 5 solves of 17.07 seconds, which places her as the 15th female in the UK! Catrin is following closely, as she solved the 3x3 in 27.5 seconds with an average over 5 solves of 33.6 seconds, placing her as the 59th female in the UK. **How incredible is that!**

**As the world looks at the conflict with Russia in Ukraine, many parents and carers may be wondering whether to broach the subject with their children, and if so, how best to talk about it. [These links may be of some help.](#)**

We continue to talk to students to equip them with information about the background to the conflict, where they can access up to date and reliable information, and how to spot, and deal with, misinformation. If you wish to talk about the impact on your child please contact your child's form tutor.

**Link to Hope are a Worthing based charity working in Eastern Europe and they are currently providing safe places for Ukrainian refugees to stay.** We have worked with Link to Hope for 20 years and colleagues have had the opportunity to make donations towards their work. **More information is available on their [website](#)**

**Can you help by collecting used stamps for the RNIB ~ the Royal National Institute of Blind People?** If you receive cards and letters through the post, please save the stamps. The RNIB will recycle these stamps into much needed funds for their services. They accept all stamps: new or used, first or second class, first day covers, presentation packs or albums.

Stamps are sold by weight and raise £20 per kilogramme. You might own or work in a business which receives a large amount of post. Stamps don't need to be sorted, just leave a 1cm of envelope or packaging around each stamp. This will ensure the perforations of the stamp aren't damaged. **Pop your stamps into an envelope or container once you have a sufficiency and hand them into reception ~ thank you.**

## ☆☆☆ Sporting Success! ☆☆☆

Congratulations to our Year 10 Netball team who took part in a Netball tournament this month against seven local schools. With a couple of new comers to the team they came out strong from the start. They won 6 out of 7 games convincingly and drew their final game.

The final result went down to goals scored and we won overall by a goal difference of 10. They were all brilliant!

Davison took part in the area round of the Sussex School Games Netball Competition this month. Some really brilliant games were played and **we ended up in 1st place!** The team now go on to represent the area at the County completion later this month ~ **amazing!**

Congratulations to our badminton stars who smashed their area round of the KS4 Sussex school games this month, winning their matches against all schools. They now go on to compete in the County round. **Despite being very nervous they were fabulous!**

Congratulations to the Year 7 Football squad who were crowned District champions recently. They came top of their pool with 4 wins and 1 loss and faced Durrington in the league finals. In very tricky weather conditions, the team performed brilliantly, dominated most of the possession and came away with a 3-0 win. **Well done to all those involved.**

★ ★ ★ Sporting Success! ★ ★ ★

Teams from Years 7 and 8 competed to win a place at the South East Championships. They represented the school beautifully and did us proud!

Each year group competed against over 200 girls and although it was a team event the top 20 individuals in each year also qualified to represent Sussex at the South East Champions.

Our year 7's were amazing and as a team came 3rd!

We also had Elodie Clayton and Abi Sparks qualify with Elodie coming 7th and Abi coming 14th.

We are yet to find out the overall scores for the year 8 team.

However our amazing Julie Walsh came 1st, qualifying for the South East Championships!

*LIVE the Language!*

We are excited to be welcoming a Spanish school group into Davison this June and are currently looking for host families for the Spanish students in the local area for 7 nights from 14<sup>th</sup> – 21<sup>st</sup> June 2022.

We need families who are interested in meeting and getting to know 1, 2 or 3 youngsters from Spain and making them feel like one of the family.

As your daughter is approximately the same age as these students (14 – 16 years old), this would be an ideal opportunity for her to meet and get to know people from another country and culture and also possibly to practise her Spanish language skills as the Spanish students practise their English.

In addition to the linguistic and cultural benefit to your family, you will also be financially reimbursed for this. We offer £137.50 per student for the week and as most would like to stay in pairs, that's £275 for 2 or £412.50 if you have space to look after 3 students.

If you are interested in taking part in this unique experience, please contact Combination Languages directly by email; [info@combinationlanguages.com](mailto:info@combinationlanguages.com)

**If you're interested in joining the Davison CE High School for Girls team, please keep an eye on the vacancies section on our website. [Please click here](#) to be directed to our website.**

### Updated Guidance in relation to Covid-19

**Children and young people aged 18 and under with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 3 days**, which is when they are most infectious. **They can return to school on day 4, provided they no longer have a high temperature.**

**Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people.** They can go back to school when they no longer have a high temperature, and they are well enough to attend.

Studybugs 

We would like to remind you to use the 'studybugs' app when reporting your child's absence from school.

The 'studybugs' app can also be used to notify us if your child has an appointment and needs to leave early using the option 'send other message'. The app is quick and easy to use and install; absences are then automatically added to our registers, eliminating any unnecessary absence texts to you. **Please [click here](#) to get started.**

sQuid

Did you know that as well as topping up accounts electronically [via this link](#), cash top-ups can be made for as little as £1, via the machines in the Refectory and Dinner. This allows students to avoid having to load the minimum electronic top-up of £10.

### Support During Difficult Times

**At Davison we take great pride in being at the heart of the community. We support many local organisations and also invite our wider community to join with us too for events, celebrations and much more.**

In recent times especially, 'community' has been even more important. We recognise that many family's circumstances have changed and this is only being added to by increasing financial pressures experienced due to rising food and energy costs, causing many of us to need extra support.

### Community Hub – Support for all families available

The West Sussex County Council Community Hub is available to all families providing access to support for food, fuel, clothing and essentials.

The Community Hub can be contacted on 0330 222 7980 and is open 09:00 – 17:00 seven days a week. Further information can be found via the [West Sussex County Council website](#).

Should you require any further information or advice about the scheme, please contact [welfarecommunities@westsussex.gov.uk](mailto:welfarecommunities@westsussex.gov.uk) Please click [here](#) for a list of local organisations providing support.

***Please could you remind your daughter ...***

**NOT to bring aerosols (for example, perfume, deodorants) into school or on school trips.** Inhaling chemicals from the aerosols can cause allergic skin reactions, nausea, headaches, asthma and breathing difficulties for many of our staff and students. If your daughter is found to be in possession of an aerosol in school or on a school trip, the item will be confiscated and made available for your collection from Reception.

**To avoid bringing food items into school that contain nuts**, as we have members of our school community who have severe nut allergies.

We welcome your support in protecting the health and wellbeing of **all** our school community and thank you, in advance, for your understanding in this matter.

**Please could you remind your daughter ...**

Thank you.

**Important information from Worthing Secondary Schools and GPs** across Worthing. Please read the letter below which can also be found [here](#).

Dear Parents/carers,

We are writing to you collectively representing the six secondary schools and GP practices across the Worthing area. If you are receiving this letter, it is because your child's school has joined our partnership and is part of our local professional team who work together to support all school-aged children.

Schools and GP practices in Worthing started meeting approximately once a term in 2018. The aim of this group is to find ways to support our young people in a collaborative way. We have consistently found, in situations where it is believed that medical issues are felt to be a potential barrier to regular school attendance, that by working jointly and closely with families we (schools and medical professionals) are able to find a way forward in the best interests of the child and family.

We have recently re grouped as the pandemic restrictions have eased and have already begun discussions about some of the new challenges that our children appear to be facing. We recognise and understand the challenges that individual children face can appear to be many and varied and sometimes also extend into those adults in the children's life too. However, the expectation remains that all school age children attend school on a regular basis. This expectation is supported in full by all medical staff, schools and both local and national government.

Moving forward, to support attendance, both GPs and school staff will make it a high priority, whenever a concern is raised regarding a medical worry or issue that is perceived to be a barrier to attendance at school, to speak with each other and form an effective working partnership with the parent/carer and child. This will ensure that the child (and wider family members if necessary) get the right blend of support in a timely way and therefore school attendance and learning does not suffer.

Our shared expectation now is that if you have a medical concern that you feel is limiting your school-aged child's attendance you specifically ask that the GP/School to speak. We are keen to work with you and will find a way to help move whatever the issue/concern is forward.

Thank you in advance for your continued support. We look forward to further collaborative working.
