

May 2022

**Donations for Bake Sale: Thursday 26<sup>th</sup> May 2022**

Dear Parent/Carer,

We are planning a bake sale on Thursday 26<sup>th</sup> May to raise money for the local charity, Love Your Hospital. We will sell these items at break time on the same day.

We are asking for donations of cakes, cookies, and all things baked! Please could you send your children into school with the baked goods on the morning of Thursday 26<sup>th</sup> May. These can be left outside the community office.

Your support is, as always, greatly appreciated and we thank you for your continued support.

About Love Your Hospital:

Dedicated to  
  
University Hospitals Sussex  
NHS Foundation Trust

Love Your Hospital is the dedicated NHS charity for St Richard's, Worthing and Southlands Hospitals. They support NHS staff to provide the very best care to patients and their families. They are currently raising money to purchase Gaming Carts for their children's wards. These Gaming Carts are customised and specifically built for the medical environment. Each Cart helps healthcare professionals, play specialists, and play facilitators provide much-needed recreation and play to children and young people who are immobile, spending time in the hospital, or visiting as an outpatient.

Yours faithfully,

Lizzie Hamilton  
Community & Marketing Manager
