STUDENT BEHAVIOUR POLICY

Our vision is that, at Davison CE High School for Girls, students are free to choose any faith or none, but as a church school, we want them to live life in all its fullness and flourish as God intended. We reflect on what God has done for us through Jesus. We model his work through our Christian values. In our school we strive to reflect these values in the way we treat one another, conduct ourselves and care for those in our community and around the world.

This policy reflects our commitment to supporting every child in our care.

At Davison CE High School, it is a prime aim that every member of the school community feels valued and respected, and that each person is treated fairly. We are a caring, Christian community, whose values are built on trust, friendship, thankfulness, hope, forgiveness and endurance. This is demonstrated in the form of respect, love and care for all, that is inherent throughout this policy.

STUDENT BEHAVIOUR POLICY

The school's Governors have adopted this policy, and our supporting Behaviour Flowcharts, as guiding principles for all stakeholders. This policy aims to both direct and reflect, in all contexts, the school's good practice, supporting staff in managing behaviour through rewards and sanctions. This policy enables behaviour which facilitates students to live life in all its fullness and flourish as God intended.

We set out to create an environment that develops appropriate behaviour and more widely supports the principles of our school's philosophies for respect, personal responsibility, support and shared understanding and expectations.

A clear, consistent, fair and proportionate approach to managing situations will be adopted, wherever possible, to ensure the expected high standards of behaviour are understood, met and supported by all.

In achieving this, every student will realise their true potential, in a positive, safe learning environment, irrespective of background or personal circumstance.

All members of the Davison Community have the right:	Responsibilities

Responding to Inappropriate Behaviour

When a student behaves in a way which is deemed to be unsafe or inappropriate, both in and outside of school, including school trips/visits, travelling to and from school and when identifiable as a student, in or out of uniform or disrupts the learning of others, they may be dealt with in a variety of ways.

Every effort will be made to be reasonable in all circumstances, taking into account the student's age and any known SEND or religious requirements.

The class teacher, member of staff in charge, Subject Leader, Form Tutor, Pastoral Manager, Head of Key Stage or Head teacher may talk to the student about their behaviour. This may result in one or more of the following sanctions: (explained in more detail on our Behaviour Management flowcharts)

- Warn - Move - Remove from a lesson
- Lunchtime Detention

- Fixed-term suspension

The school reserves right to permanently exclude students for serious breaches of our behaviour policy even if the incident is isolated.

Managed-Moves/In-Year Transfers

The school will be proactive in identifying and working with students with identified behavioural needs as they first join the school. Strategies may include pre-admission visits, meetings with current school, parent meetings and/or meetings with professionals to ensure that expectations and provisions of support are as clear as possible. The school firmly believes in transition being a 'fresh start' for all students but also knows that the earlier support is enacted, the more success this is likely to have in the longer term.
