

**DAVISON**  
CE High School for Girls

# YEAR 9

## KEY STAGE 4 OPTIONS INFORMATION EVENING GUIDE

Thursday 25th January 2024

## **Agenda For The Evening**

There are two main events for parents to be aware of:-

1. **Presentation in the hall with Mr Davies, Curriculum Deputy Headteacher.**
2. **Opportunity to talk with Subject Leaders, students and Colleges.**

### **HALL**

The presentation will be run twice to help us manage numbers.

**Please come to the presentation of your daughters' colour group.** If this is not possible, please come to the alternative presentation.

#### **5.30 to 6.15pm**

**First Presentation**—Colour groups Blue, Gold, Green, Orange and Pink

#### **6.45 to 7.30pm**

**Second Presentation**—Colour groups Purple, Red, Silver, White and Yellow

#### **6.00 to 8.00pm**

Subject leaders and other staff will be available during these times, for all subjects. Please refer to the table over leaf to ascertain the location of each subject leader.

## Colleges

Admissions staff from local colleges will be available throughout the night to answer your questions about progression into Further Education and Higher Education. If your daughter is thinking about a particular career, for example Medicine or Law, the staff will be able to advise you on the best GCSE subject combinations and any other requirements. Equally, if your daughter is considering a more vocational route later in life, this can also be discussed with staff from these institutions. If you would like information and advice regarding further and higher education, we advise students and parents to speak to college staff on the night.

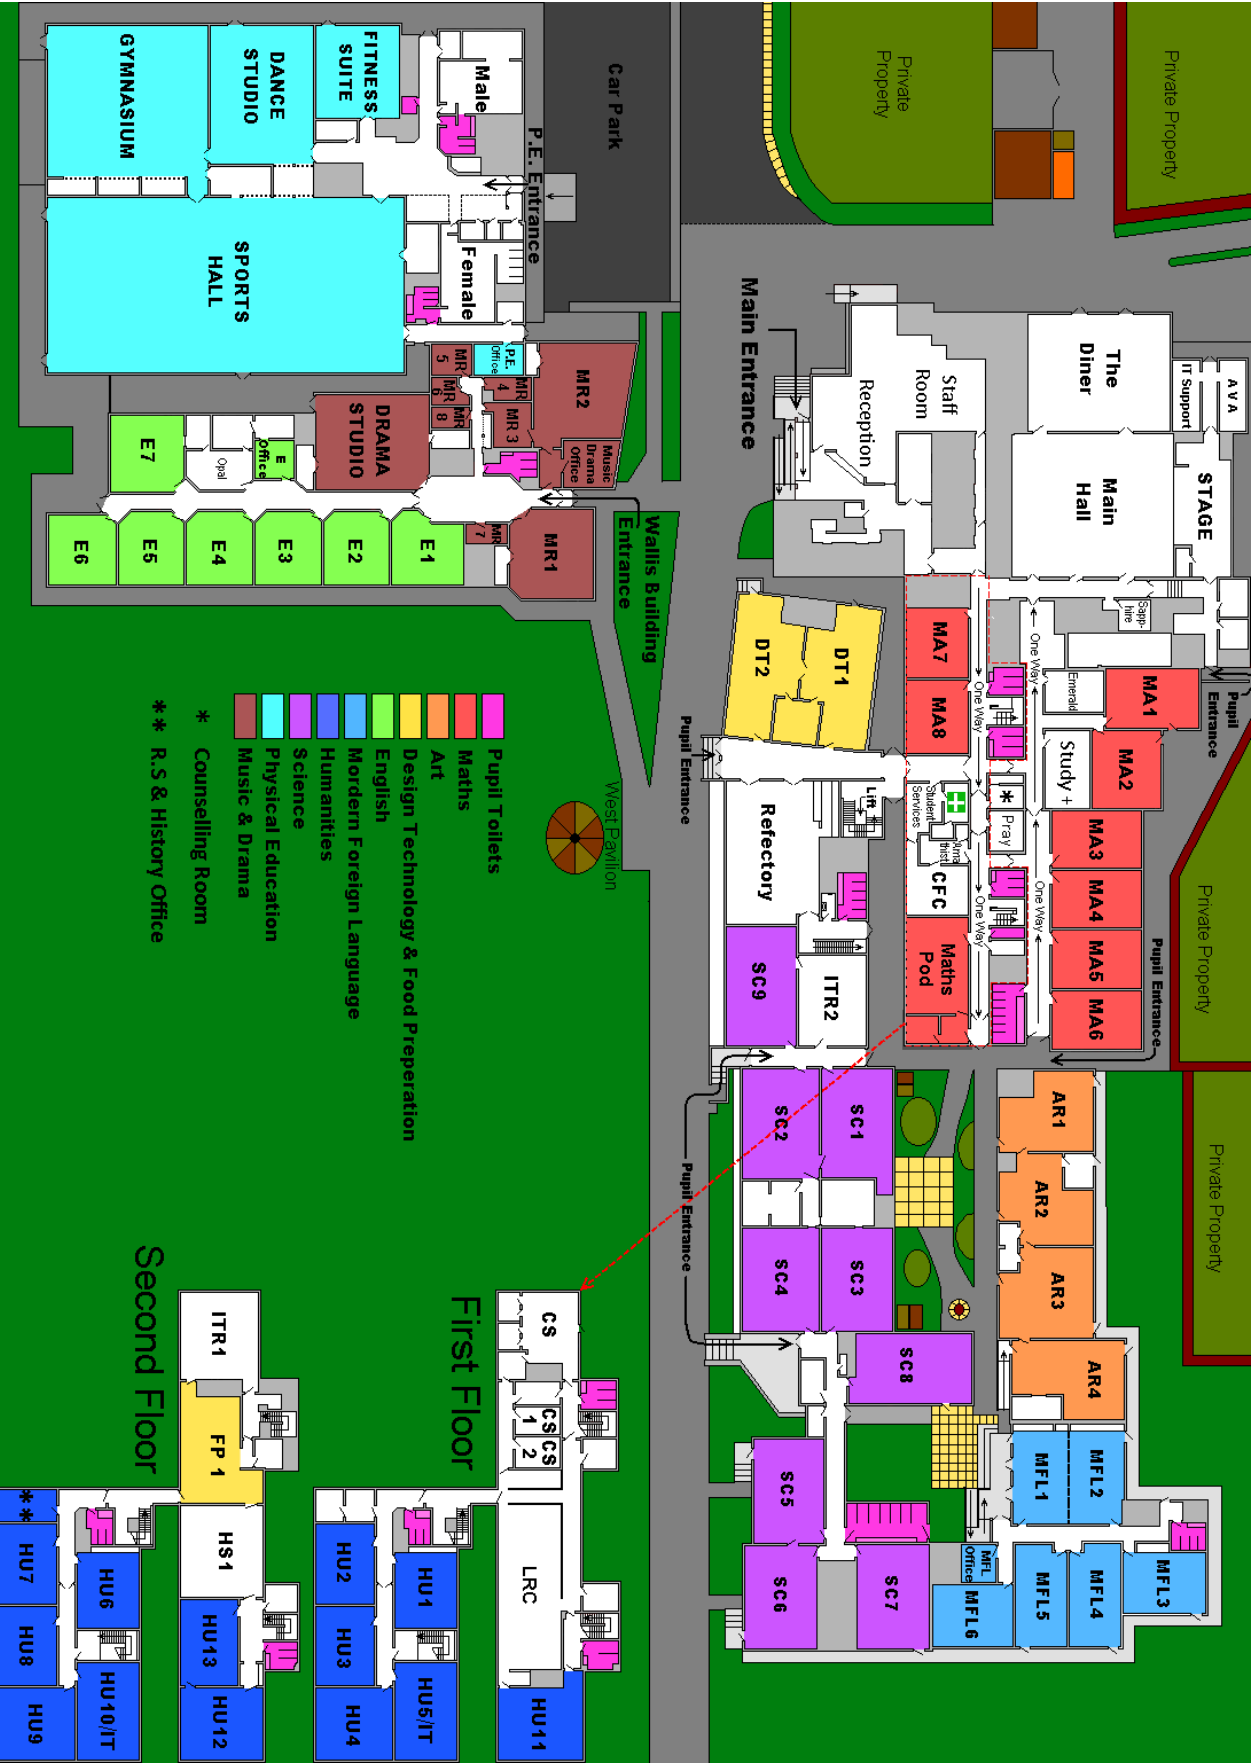

There will also be representatives from some local employers.

Mrs Parnell, Careers Leader will also be available to answer any questions.

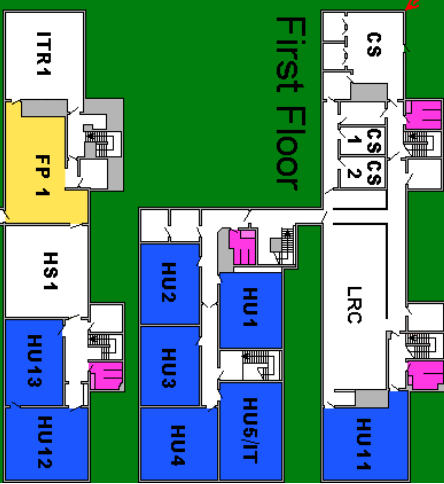

**Please check the list below which indicates which teachers are available to discuss options with you and where they are located.**
